### Business:

- LG Clean-up Day April 28 recap: Picked up and sprayed weeds on Main Street and in pocket park area.
- Founders Day May 12 review: There was no power in the light poles on the south side of Main Street; Harps' Bar S guy didn't show up so they didn't cook hot dogs; the parade went well.
- Applications for those wanting to run for office or board need to be in by June 12. Bo and Theresa are rotating off the board this year and we have an empty 2020 slot. Elections will be at the June 19 meeting. Two applications for board and one for treasurer were turned in at the meeting.
- We're still waiting for Ink82 to tell us when they'd like their ribbon cutting. White House Photo Studio is new in town at Cowan's old white house.
- Independence Day celebration will be July 7. No fireworks, but other fun. Checking to see if we can use the Sale Barn property again. We'll have a Mister and a Miss contest, a rib cook-off, watermelon eating & seed spitting, horseshoe tournament, music and maybe bouncy houses. Annissa will look into an inflatable with water.
- We will look at having programs at our quarterly noon meetings. The next one of those is July. Jennifer will check with NTC.
- Amanda checked on the feasibility of putting a sign by the turnpike. It will be affordable.

Looking at a slogan and how to use solar lighting.

- Will look at doing some form of “business after hours” to promote networking among our businesses.
- Will try to come up with a summer calendar showing who is having activities for kids.

The next Chamber meeting will be **June 19 at 6:00p.m.** at the Wilma Cowan Building.
