Oct. 18, Thursday, Noon: Challenges of Urban Stream Management

Assistant Director with the Oklahoma Water Survey-OU Jeri Fleming (an LGHS graduate) will give a talk at this Chamber meeting. - Challenges of Urban Stream Management. Streams running through communities can have unique management challenges, such as who is responsible for maintenance, how should they be maintained and how does vegetation improve or impact the stream. Takes place at 114 E. Main.

Oct. 31, Wednesday, 4-5 p.m., Business Trick or Treat

Nov. 20, Tuesday, 6:00-7:00 p.m., Chamber monthly meeting, 114 E. Main

Dec. 4, Tuesday, 5:30-8:00 p.m., Christmas Celebration

Other News:

Amanda Chappelle, a new Chamber board member, is spearheading a campaign and committee to come up with a strategic plan to improve conditions in Locust Grove, from the look and feel of the town, to safety and health issues and growing the economy and community togetherness. She plans to include people from all sectors of the town in the committee.

The Chamber will be in charge of some oral history projects next year when the LGAA hosts the Big Read program and the Smithsonian exhibit Water/Ways. Specifically, they will be in charge of recording LG folks tell stories of the town for a digital archive.
