Opportunities**

Dear Chamber Member,

Branding your business through sponsorship of Chamber Programs is a great way to promote your business and increase name recognition. The Chamber has sponsorship opportunities for every type of business. Sponsors receive high visibility in electronic newsletters, press releases, and prominent display of your logo and name on signage at the event.

Taking advantage of our 2020 Member Sponsorship Opportunities is the most effective way for you to personalize your investment with the Chamber while maximizing the benefits to you, your employees and your business.

The Locust Grove Area Chamber of Commerce is a nonprofit 501(c)6 organization that relies on the generous investment of our members in order to successfully perform our work for the community. The opportunities in this guide provide a variety of platforms for advertising, branding and networking for your company and help position you as a leader in the Locust Grove business community.

Please look through the listing of available program sponsorships and contact me if you need more details. If you are ready to invest, you may contact me directly or you may fill out the form at the back of this packet and mail it in. I will then contact you to discuss and confirm your choices.

The Chamber has made some changes this year that we hope will be easier for everyone to enjoy, to learn and benefit from and to find opportunities in. We realize with all the different events and organizations in town that providing donations and sponsorships can be overwhelming. Therefore, we have come up with this Premier Chamber Membership that you will receive the first of the year, and you can decide which events to help with. All events for 2020 and one event for early 2021 will be included in this packet.

Thank you for supporting your Locust Grove Area Chamber of Commerce!!
